Dear Farm Customer:

Just wanted to thank you for your business this year and to ask for your business in the future. In fact, that's why I'm writing. H & W Equipment can help you get ready for next year with our Winter Inspection Program beginning November 1, 2017, and ending March 31, 2018.

Our Winter Inspection Program offers the following:
Free pickup and delivery*. A 100 point tractor inspection performed by our qualified technicians. A **1 Year Warranty** on all parts and labor performed as a result of the inspection. I will go over the technician's inspection report with you and discuss your repair options with you for one **low price** of \$325.00. The labor rate discount and part discount that we have this year for the Inspection Program is:

- 1.) Repair work done as a result of the Winter Inspection will carry a **10% off LABOR**
- 2.) Repair work done as a result of the Winter Inspection will carry a **5% off PARTS**.
- 3.) We can also perform Winter Inspections on combines and pickers at your location. Call for pricing.

- 5.) For John Deere Financial (**Multi-Use/Farm Plan**) customers we are offering No Payments & No Interest until (date) on qualifying purchases of \$1,000.00 or more.**
